Vernon Jubilee Hospital Inpatient Beds Project Board

Dear Sirs/Mesdames:

**Re: Polson RFQ No. 5390
Vernon Jubilee Hospital Inpatient**

I was appointed as Fairness Advisor for the procurement process on this Project in March of 2013. In that capacity I was assigned to monitor the procurement process in both the Request for Qualifications ("RFQ") and Request for Proposals ("RFP"). This report constitutes my report on the RFQ process.

In my role as Fairness Advisor during the RFQ process either I, or my alternate Stephen Berezowskyj, have performed the following services:

1. Review of the RFQ and evaluation documentation.
2. Attend evaluation orientation meetings.
3. Attend Evaluation Committee meetings either in person or by conference call.
5. Monitoring correspondence exchanged between and amongst the Evaluation Committee members and PartnershipsBC and between PartnershipsBC and the proponents.

Based on my observations and review of the documentation and reports made available to me, I am satisfied that the procurement process during the RFQ phase of this Project adhered to the RFQ Guidelines, was fully transparent and was conducted in a robust manner without bias being shown towards any one or more of the proponents. In short, I found the process to be fair. Additionally, it was clear to me that the Evaluation Committee and representatives of PartnershipsBC were keenly aware of the need to abide by fairness principles and demonstrated a heightened ability to do so.

Respectfully submitted,

John R. Singleton, Q.C.
