

SCHEDULE 7

PROPOSAL EXTRACTS

1. Contents

The Proposal Extracts consist of the following two parts:

Part 1: portions of the Design-Builder's technical submission for the Project dated November 16, 2016, as listed below:

- Package 2 Technical Submission (except pages 42, 74, 104, 122 and 142);
- Package 3 Scored Elements, including:
 - PCL Response to PCL002; and
 - PCL Response to PCL008;
- All drawings listed on the Technical Submission drawing cover sheet A000 – Cover & Drawings Lists

Part 2: Drawing ASK01 – Level 1 – Post Tech. Submission Revisions

2. Status of Parts 1 and 2 for Design Development

2.1 Part 2 sets out agreed changes to Part 1 that the Design-Builder made after December 2, 2016. Accordingly, items described in Part 2 supersede related items in Part 1. The Design-Builder has not yet updated all drawings and specifications included in Part 1 to reflect the changes made in Part 2.

2.2 The Design-Builder will, as part of the design process described in this Agreement, revise all drawings and specifications included in Part 1 as may be required to implement the design changes included in Part 2.

The parties have undertaken some user consultation meetings prior to the Effective Date but developments to the proposed design discussed at those meetings have not been incorporated into these Proposal Extracts. Design-Builder will incorporate such developments as part of the design process described in this Agreement.
