# **TASKI ergodisc 300 – the handyman**

# TASKI ergodisc 300 – the handyman

High speed single disc machine (300 rpm). The specialist in spray cleaning and carpet shampooing but also versatile for other cleaning tasks, especially in confined areas:

- wet scrubbing
- stripping
- buffing
- spray cleaning
- shampooing
- wood treatment
- crystallization
- carpet bonneting

## Ergonomics

Anatomically formed grip and handle for better working conditions and reduced operator fatigue.

## Safety

Hand protection and double lock power switch for improved operator safety.

## Versatility

Adaptable to multiple cleaning tasks for excellent value in use benefits.

The powerful vacuum unit (with micro filtration) and suction skirt reduces dust for greatly improved Indoor Air Quality. The integrated electrical spray unit, with center feed dispensing, is designed for easy use in professional spray cleaning applications.

## Simplicity

Easy coupling of accessories. Foldable handle for simple transport and storage.

## Durability

Good working conditions are achieved with reliable equipment. The use of high-tech materials creates a durable machine.

- shock absorbing
- no corrosion
- long lifetime
- low maintenance

## Technical Data

Working Width	17 inch (43 cm)
Weight	90 pounds (41 kg)
Speed	300 rpm
Power Consumption	1100 watts, 1.5 Hp
Voltage	120 VAC/60 Hz
Power Cable	(47 feet) 15 m
CSA Approved
