

Go Beyond Mobility™

With it's 700 lb weight capacity, Hill-Rom's Transport Stretcher is an economical solution to help accommodate all patient conditions as well as your needs in this uncertain environment.

A rush to the operating room is not just about running down hallways and turning corners. It's about the minute details that contribute to a safe and comfortable experience for both you and your patient.

Our stretchers **provide more than mobility** for your patients:

- A safe and comfortable patient experience
- · Simple and safe maneuvering
- Durability to withstand your demands

Key benefits at a glance:

A Safe and Comfortable Patient Experience

- Help prevent pressure injuries with your choice of pressure redistribution surfaces.
- Protect your patient's hands with bumper protected siderails.
- Provide a gentle patient ride with spring-loaded Steering Plus™ System that absorbs shock of driving over bumps and thresholds.
- Allow for safe patient ingress and egress with low height.

Simple and Safe Maneuvering

- 360° maneuvering with Steering Plus[™] system
- Simple to activate brake and steer pedal

Durability to Withstand Your Demands

- 700 lb weight capacity
- Compatibility with most lifts and overbed tables
- Easy to clean smooth deck and siderail design
- · Power washable

Go Beyond Mobility™

A safe and comfortable experience for both you and your patient starts on a Hill-Rom® stretcher.
