Sign Layout Plan - Concourse.....	3
Sign Layout Plan - Platform.....	4
Sign Schedule - Exchange/Ticket Hall.....	5-6
Sign Schedule - Concourse.....	7
Sign Schedule - Platform.....	8-13

Station context:

Suggested Station Name: Arbutus

Station Type: Centre platform

Number of Platforms: 2

Lines & destination available from each platform:

Platform 1: Unloading only (Northernmost platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Number of station entrances/exits: Two; 1 to Arbutus Street; 1 to Arbutus bus exchange

Other notes and assumptions:

External and Ticket Hall (Ground Level)

- Two pedestrian access and egress opening north of West Broadway
- Bicycle parkade
- Journey planning and transit information panel (T8 & T9) installed in ticket hall
- Four Compass vending machines installed at centre of ticket hall area
- Powered T-marker (T1) hardware installed north-west of the station (may require municipal coordination)

- One elevator, up and down escalators, and stairs between street level and concourse
- Powered transit info panels
- Bus loop and queue east of the station
- External journey planner between SkyTrain station and bus loop
- Two E-PIDs, one at each entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- One elevator, up and down escalators, and stairs between concourse and street level
- Separate elevator between concourse and platform
- One up, one down escalator and stairs between concourse and platform

Platform:

- One elevator between platform and concourse
- One up, one down escalator and stairs between platform and concourse
- Two T-PIDs and two G-PIDs per platform; shown only to illustrate approximate locations but not part of wayfinding signage scope
- Two furniture islands

Sign Schedule - Existing Station/Canada Line Platform 14-15

Background/context:

Station Name: Broadway–City Hall

Station Type: Centre Platform

Number of New Platforms: 2

Number of Existing Platforms: 2

Lines & destination available from new platforms:

Platform 1: Millennium Line to Arbutus (Northernmost Platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Lines & destination available from existing platforms:

Platform 3: Canada Line to Waterfront

Platform 4: Canada Line to YVR-Airport & Richmond Brighthouse

Number of Station entrances/exits: One; 1 to Broadway

External and Ticket Hall (Ground Level)

- One pedestrian access and egress opening south of West Broadway
- Journey planning and transit information panel (T8 & T9) installed in ticket hall
- Four Compass vending machines installed at east side of ticket hall area
- Powered transit info panels
- Two E-PIDs, at entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- Two elevators and two up down escalators to access street to M-Line concourse level
- Four elevators (two at C-Line, two at M-Line), three up-down escalators between concourse and platform levels

Platform:

- Two elevators for C-Line and two elevators for M-Line
 - Three Escalator for M-Line, Two Escalator for C-Line
 - T-PIDs & G-PIDs placement to not interfere with content on running frieze
 - Two furniture islands

Broadway Subway Project
Fairview–VGH Station Preliminary Wayfinding Plan

June 2019

Contents

Sign Layout Plan - Exchange/Street Level.....	3
Sign Layout Plan - Concourse.....	4
Sign Layout Plan - Platform.....	5
Sign Schedule - External/Ticket Hall.....	6
Sign Schedule - Concourse.....	7
Sign Schedule - Platform.....	8-11

Background/context:

Suggested Station Name: Fairview–VGH

Station Type: Centre Platform

Number of Platforms: 2

Lines & destination available from each platform:

Platform 1: Millennium Line to Arbutus (Northernmost platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Number of Station entrances/exits: One at West Broadway and Laurel St.

Other notes and assumptions:

External and Ticket Hall (Ground Level)

- One access and egress opening north of the station (W. Broadway)
- Bus stop on Oak Street (southbound)
- Powered T-Marker (T1) mounted northeast of the station
- Two Compass vending machines along edge of wall
- Powered transit info panels
- One elevator to concourse level
- Two E-PIDs, at entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- One elevator, up and down escalators, and stairs between concourse and street level
- Separate elevator between concourse and platform
- One up, one down escalator and stairs between concourse and platform

Platform:

- One elevator between platform and concourse
- One up, one down escalator and stairs between platform and concourse
- Sign band/chaseway not shown but assumed on both sides of platform
- PID system not shown but assumed
- Two furniture islands

Sign Layout Plan - Concourse.....	2
Sign Layout Plan - Platform.....	3
Sign Schedule - Exchange/Street Level.....	4-5
Sign Schedule - Concourse.....	6
Sign Schedule - Platform.....	7-12

Background/context:

Suggested Station Name: Great Northern Way

Station Type: Centre Platform

Number of Platforms: 2

Lines & destination available from each platform:

Platform 1: Millennium Line to Arbutus (Northernmost platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Number of Station entrances/exits: Three, one to Great Northern Way, one Thornton Street plus Bike Parkade Entrance

Other notes and assumptions:

External and Ticket Hall (Ground Level)

- One pedestrian access and egress opening on Great Northern Way and one on Thornton Street
- Journey planning and transit information panel (T8 & T9) installed in ticket hall
- Four compass vending machines inside at the south east side inside the ticket hall
- Powered transit info panels
- Bike parkade and signage on west side of station
- Two E-PIDs, at entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- One elevator, up and down escalators, stairs between concourse and street level
- Two escalators and one elevator to and from concourse and platform level

Platform:

- One elevator to and from platform and concourse level
- Sign band/chaseway not shown but assumed on both sides of platform

Great Northern Way Station wayfinding sign schedule - Platform

Sign Layout Plan - Platform.....	3
Sign Schedule - Exchange/Ticket Hall.....	4
Sign Schedule - Concourse.....	5
Sign Schedule - Platform.....	6-10

Background/context:

Suggested Station Name: Mount Pleasant

Station Type: Centre platform

Number of Platforms: 2

Lines & destination available from each platform:

Platform 1: Millennium Line to Arbutus (Northernmost platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Number of Station entrances/exits: One at West Broadway and Main St.

Other notes and assumptions:

External and Ticket Hall (Ground Level)

- One access and egress opening north of the station
- Powered T-Marker (T1) mounted northeast of the station
- Powered transit info panels
- Two Compass vending machines along edge of wall
- One elevator to concourse level
- One E-PIDs at entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- One elevator, up and down escalators, and stairs between concourse and street level
- Separate elevator between concourse and platform
- One up, one down escalator and stairs between concourse and platform

Platform:

- One elevator between platform and concourse
- One up, one down escalator and stairs between platform and concourse
- Two furniture islands
- Two T-PIDs and two G-PIDs per platform; shown only to illustrate approximate locations but not part of wayfinding signage scope

Broadway Subway Project
South Granville Station Preliminary Wayfinding Plan

June 2019

Contents

Sign Layout Plan - External/Ticket Hall.....	1
Sign Layout Plan - Concourse.....	2
Sign Layout Plan - Platform.....	3
Sign Schedule - External/Ticket Hall.....	4
Sign Schedule - Concourse.....	5
Sign Schedule - Platform.....	6-9

Background/context:

Suggested Station Name: South Granville

Station Type: Centre platform

Number of Platforms: 2

Lines & destination available from each platform:

Platform 1: Millennium Line to Arbutus (Northernmost platform)

Platform 2: Millennium Line to Lafarge Lake-Douglas (Southernmost platform)

Number of Station entrances/exits: One to West Broadway east of Granville Street

Other notes and assumptions:

External and Ticket Hall (Ground Level)

- One pedestrian access and egress opening south of the station (Along W. Broadway)
- Powered T-Marker (T1) mounted south west of station
- Powered transit info panels
- Two Compass vending machines
- One elevator to concourse level
- One E-PIDs, at entrance portal; shown only to illustrate approximate location but not part of wayfinding signage scope

Concourse:

- One elevator, up and down escalators, and stairs between concourse and street level
- Separate elevator between concourse and platform
- One up, one down escalator and stairs between concourse and platform

Platform:

- One elevator between platform and concourse
- One up, one down escalator and stairs between platform and concourse
- Two T-PIDs and two G-PIDs per platform; shown only to illustrate approximate locations but not part of wayfinding signage scope
- Two furniture islands placed as per plan

South Granville Station wayfinding sign schedule - External & Ticket Hall
