1 INTRODUCTION

1.1 PURPOSE OF THIS RFQ

The purpose of this request for qualifications (“**RFQ**”) is to invite interested parties to submit responses (“**Responses**”) indicating their interest in, and qualifications for, the Lakes District Hospital and Health Centre Replacement project (the “**Project**”). Based on these Responses, the Northern Health Authority (the “**Authority**”) intends to select, in accordance with the terms of this RFQ, a shortlist of up to three proponents (the “**Proponents**”) to be invited to participate in the next stage of the competitive selection process (the “**Competitive Selection Process**”), the request for proposals (“**RFP**”) stage.

This RFQ is not a tender or an offer or a request for proposals, and there is no intention by the Authority to make an offer by issuing this RFQ.

Under the Competitive Selection Process, the Authority is seeking to enter into a contract (the “**Design-Build Agreement**”) with a qualified entity (“**Design-Builder**”) to design and build a new primary health care facility in Burns Lake (collectively the Project or the “**Facility**”).

If a capitalized term used in this RFQ is not defined in Section 7 of this RFQ, it will be defined in the section of the RFQ in which it is first used.

1.2 ADMINISTRATION OF THIS RFQ

Partnerships British Columbia Inc. (“**Partnerships BC**”) is managing this RFQ and the Competitive Selection Process on behalf of the Authority.

1.3 ELIGIBILITY

Any interested party, or parties, may submit a Response to this RFQ. Respondents (the “**Respondents**”) may be individuals, corporations, joint ventures, partnerships or any other legal entities.

1.4 PROJECT BRIEF

The Authority has issued a Project Brief (the “**Project Brief**”) for the purpose of providing an informal and convenient summary of aspects of the Project. The Project Brief is not included as part of the RFQ or RFP, and is not intended to be included with, or referred to in any way in interpreting the requirements of, the RFQ, the RFP, the Design-Build Agreement, or to in any way define or describe any party’s rights with respect to the Project.

2 THE PROJECT

2.1 LAKES DISTRICT HOSPITAL AND HEALTH CENTRE REPLACEMENT PROJECT

The Lakes District Hospital and Health Centre (LDHHC) plays a critical role in the delivery of primary health care in Burns Lake. Secondary and tertiary care is delivered by Northern Health in Prince George, which is approximately a two and a half hour drive to the east. More serious cases, or quaternary cases, are dealt with in Metro Vancouver. The LDHHC also plays a vital role in serving the health care needs of the communities around Burns Lake. Construction commenced on the LDHHC in 1959 and the facility underwent significant renovations and additions in the mid-1970's, with some minor upgrades to the laboratory in 2002. The LDHHC currently operates 13 beds.

The LDHHC is at the end of its design life and, in its current state, is not up to current health care facility standards. Major components of the physical plant have deteriorated and are no longer operational. The remaining components of the building pose potential health and safety risks to both employees and patients.

The Authority is planning the proposed Project to include:

- Public health, mental health and addictions, home and community care service, as well as local physician and emergency services;
- A total of 16 beds including 13 acute care beds, one isolation room, one palliative care room and one labour/delivery/recovery suite; and
- Diagnostic imaging, laboratory and pharmacy services.

The scope of work currently anticipated for the Project is discussed in greater detail in Section 2.5 below.

2.2 PROJECT OBJECTIVES

To aid with the development of the Project scope and infrastructure decisions, Project objectives have been established for the Project. The Project objectives include the following:

- Enable the Authority to deliver the Primary Care Home¹ philosophy in the community of Burns Lake and the area it serves;

¹ <http://www.northernhealth.ca/YourHealth/PrimaryHealthCare/PrimaryCareHome.aspx>

- Position the Authority to meet growth in demand for health care services;
- Provide adequate space to enable client-focused care delivery and outcomes for patients, clinicians and staff;
- Improve quality of care provided to patients of Burns Lake and the Lakes District;
- Improve working conditions to improve safety, efficiency, and outcomes for patients, clinicians and staff;
- Provide a practice and learning environment that will attract and retain quality health care professionals; and
- In order to meet urgent health care needs, complete the new Facility by 2015.

2.3 PROJECT TEAM

2.3.1 Northern Health

The Authority serves over 288,178 British Columbians (6.2 per cent of the Province) throughout 12 census communities, 25 First Nations communities, and numerous unincorporated areas. The region encompasses over 592,000 km² (64 per cent of the Province). The vastness of this area, combined with the unique health care needs of many northern communities, places great pressure on the staff and resources of NH. In order to more effectively deploy resources and meet the needs of residents, NH is divided into three health service delivery areas and 17 local health areas, and reports to the Ministry of Health (MoH).

Additional information about Northern Health is available at: www.northernhealth.ca.

2.3.2 Partnerships BC

Partnerships BC was established by the Province of British Columbia to evaluate, structure and implement partnership delivery solutions for public infrastructure.

The Authority has engaged Partnerships BC to manage the procurement of the Lakes District Hospital and Health Centre Replacement Project.

Additional information about Partnerships BC is available at www.partnershipsbc.ca.

2.4 ADVANCE WORK BY THE AUTHORITY

The following sections provide an overview of the work undertaken on the Project to date, and work planned to be undertaken prior to Contract Award (“**Contract Award**”).

2.4.1 Approval

The Project has been approved to proceed to procurement by the Province of British Columbia and was announced on April 12, 2012. Further Authority and Province approvals are expected to be required prior to issuance of the RFP and Contract Award.

2.4.2 Project Scope

The project includes phase one, site preparation and phase two, hospital construction. Phase one is not included in the Design-Builder's scope of work. Phase one consists of site preparation, relocation and demolition of a nurses' residence, new servicing for the nurses' residence and construction access set up. Phase two consists of the construction of a primary health care facility with supporting administration, food services and logistical services and demolition and removal of the old hospital. Phase two comprises the Design-Builder's scope of work.

2.4.3 Site Zoning

The new Facility will be built on the current LDHHC campus in Burns Lake and does not require additional zoning. The Facility will be designed to replace the existing primary health care facility, mental health and addictions and related facilities with a new primary health care facility, including administrative and logistical services, laboratory, diagnostic imaging and pharmacy services.

2.4.4 Programming

The Authority is in the process of completing its programming, indicative design and drafting of performance specifications (the "**Statement of Requirements**").

2.5 GENERAL SCOPE OF DESIGN-BUILDER'S RESPONSIBILITY

2.5.1 Design-Build Agreement

The Project will be managed under one Design-Build Agreement. The Authority intends to attach a draft Design-Build Agreement (the "**Draft Design-Build Agreement**") to the RFP which will include:

- (a) Statement of Requirements for the design and construction of the Facility; and
- (b) Proposed commercial terms.

The Final Draft Design-Build Agreement (the "**Final Draft Design-Build Agreement**") will be the basis upon which proposals (the "**Proposals**") will be prepared in response to the RFP.

2.5.2 General Scope of Responsibility

The Authority anticipates that the general scope of Design-Builder's responsibility under the Design-Build Agreement will be as follows:

(a) Design

The Design-Builder will be responsible for all aspects of the design for the Facility including the integration of the various building components with each other. The final design will comply with the Statement of Requirements that will be provided to Proponents in the Design-Build Agreement, and all applicable laws, including the Village of Burns Lake (“**City**”) zoning. The Project, as a whole, will require LEED® Gold certification. The RFP will provide an indicative design that may be used as a reference, but Proposals may vary from it.

(b) Construction

The Design-Builder will be completely responsible for:

- (1) obtaining all permits and approvals necessary for construction of the Facility, excluding zoning approvals already in place;
- (2) provision of utilities and other site services required to support the Facility, including off-site works as required to connect the Facility to existing Village of Burns Lake infrastructure; and
- (3) completion of construction of the Facility by April 2015.

(c) Finance

It is anticipated that the Authority will make progress payments during construction (the amount, timing and terms and conditions of which will be set out in the RFP.

It is anticipated there will be an affordability ceiling (the “**Affordability Ceiling**”) in the RFP stipulating a maximum of the progress payments over the construction period and that it will be mandatory to comply with this requirement.

(d) Wood First

As contemplated by the Wood First Act (British Columbia) the Design-Builder will be required to use wood in the Project consistent with Wood First legislation.

(e) LEED®

The successful Proponent will be required to build the Facility to achieve LEED® Gold certification or equivalent.

(f) Communication and Consultation

The Authority and Design-Builder will work together on all aspects of public communication and consultation as set out in the Design-Build Agreement.

2.6 COMMERCIAL TERMS

2.6.1 Key Commercial Terms

The following are some of the key commercial terms that the Authority anticipates will be included in the Design-Build Agreement:

- (a) **Payment:** The Authority will pay progress payments to the Design-Builder over the construction period as defined in the Design-Build Agreement.
- (b) **Affordability:** It is anticipated that the successful Proponent will not exceed the Affordability Ceiling threshold to be set out in the RFP.
- (c) **Risk Allocation:** The Design-Build Agreement will allocate risks to the party best able to manage that risk. Design-Builder allocated risks will include schedule and price.
- (d) **Extended Warranty:** The Authority anticipates requiring the Design-Builder to provide an extended warranty for the Project.

3 COMPETITIVE SELECTION PROCESS

This section describes the process that the Authority expects to use in the selection of a preferred proponent (the “**Preferred Proponent**”) and the execution of the Design-Build Agreement. The anticipated Competitive Selection Process includes two stages: (a) the RFQ stage and (b) the RFP stage, which includes Contract Award.

3.1 RFQ STAGE

The Authority anticipates that it will select a shortlist of no more than three Respondents, and then issue an RFP to that shortlist only, from which the Preferred Proponent will be selected in accordance with the terms of the RFP.

3.2 RFP STAGE

The objective of the RFP stage is to select the Preferred Proponent who may be offered the opportunity to enter into the Design-Build Agreement, and to award the Design-Build Agreement.

3.2.1 Collaborative Meetings

The RFP stage will include collaborative discussions (the “**Collaborative Meetings**”) relating to technical and commercial matters through workshops and topic meetings in accordance with the terms of the RFP, to allow Proponents to provide comments on Project-specific issues raised through the process.

The Authority anticipates that the RFP stage will allow Proponents to provide input on the Draft Design-Build Agreement as follows:

- (a) the Authority will invite each Proponent to review the Draft Design-Build Agreement as attached to the RFP and then meet confidentially and separately with the Authority to discuss any comments or amendments that the Proponent requests to be considered;
- (b) the Authority will consider all comments and requested amendments received from the Proponents and may, at the absolute discretion of the Authority, amend the Draft Design-Build Agreement, and by one or more addenda (the “**Addenda**”) issue a revised Draft Design-Build Agreement; and
- (c) ultimately the Authority will issue the Final Draft Design-Build Agreement as the common basis for the preparation of Proposals by the Proponents.

3.2.2 RFP Submission

The form of the RFP submission will be described in the RFP and is expected to include the following:

- (a) a fully binding Proposal to design and build the Facility;

- (b) a commitment to enter into the Design-Build Agreement by the Design-Builder; and
- (c) committed pricing for the Project.

3.3 COMPENSATION FOR PARTICIPATION IN THE COMPETITIVE SELECTION PROCESS

The Authority will not provide any compensation to Respondents for participating in the RFQ stage of the Competitive Selection Process.

It is the intention of the Authority that, if the Competitive Selection Process is successfully completed, partial compensation of \$100,000 will be paid to each Proponent that is not selected as the Preferred Proponent, subject to the terms of the RFP and provided that such Proponent meets all the conditions for payment described in the RFP. These conditions are anticipated to include, but will not be limited to, the submission of a bona fide and responsive Proposal, the transfer of all intellectual property rights to the Authority, and the execution and delivery of a full release of any and all Claims and a waiver of liability in favour of the Authority.

- (c) a Respondent may request that a response to an enquiry be kept confidential if the Respondent considers the enquiry to be commercially sensitive, and if the Authority decides that an enquiry should be distributed to all Respondents, then the Authority will permit the enquirer to withdraw the enquiry rather than receive a response; and
- (d) subject to Section 4.7 (c), any enquiry and response may, in the Authority's discretion, be distributed to all Respondents, if the Authority in its absolute discretion considers the matter to be a matter of substance or a matter that should be brought to the attention of all Respondents for purposes of fairness in, or maintaining the integrity of, the Competitive Selection Process. The Authority may keep either or both the enquiry and response confidential if in the judgment of the Authority it is fair or appropriate to do so.

The following provisions shall apply to any communications with the Contact Person, or the delivery of documents to the Contact Person, by email where such email communications or delivery is permitted by the terms of this RFQ:

The Authority does not assume any risk or responsibility or liability whatsoever to any Respondent:

- (a) for ensuring that any electronic email system being operated for the Authority or Partnerships BC is in good working order, able to receive emails, or not engaged in receiving other emails such that a Respondent's email cannot be received; and/or
- (b) if a permitted email communication or delivery is not received by the Contact Person, or received in less than its entirety, within any time limit specified by this RFQ.

All permitted email communications with, or delivery of documents to, the Contact Person will be deemed as having been received by the Contact Person on the dates and times indicated on the Contact Person's electronic equipment or by the clock used by the Contact Person for that purpose.

4.10 ADDENDA

The Authority may, in its absolute discretion through the Contact Person, amend or clarify the terms or contents of this RFQ at any time before the Submission Time by issuing a written Addendum. Written Addenda are the only means of amending or clarifying this RFQ, and no other form of communication, whether written or oral, including written responses to enquiries as provided by Section 4.7, will be included in, or will in any way amend or clarify this RFQ. Only the Contact Person is authorized to amend or clarify this RFQ by issuing an Addendum. No other employee or agent of the Authority is authorized to amend or clarify this RFQ. The Authority will send a notification of any Addendum to all parties who have delivered a completed Receipt Confirmation Form.

A Respondent may amend or withdraw its Response at any time prior to the Submission Time by delivering written notice to the Contact Person at the Submission Location prior to the Submission Time.

4.13 RESPONSE DECLARATION FORM

Respondents are required to complete the response declaration form (the “**Response Declaration Form**”), substantially in the form attached as Appendix D or as otherwise acceptable to the Authority in the Authority’s discretion, and should include the completed form as part of its Response. The Response Declaration Form will be executed by a signatory with authority to bind each member of the respondent team (the “**Respondent Team**”), and for clarity such signatory may be different than the respondent’s representative (the “**Respondent’s Representative**”).

4.14 RELATIONSHIP DISCLOSURE FORM

A Respondent is required to complete and execute the relationship disclosure form (the “**Relationship Disclosure Form**”), substantially in the form attached as Appendix E, or as otherwise acceptable to the Authority in the Authority’s discretion.

5 EVALUATION

5.1 EVALUATION

The evaluation of Responses will be carried out by the Authority with assistance from other persons as the Authority may decide it requires, including technical, financial, legal and other advisors or employees of the Authority or Partnerships BC.

5.2 EVALUATION CRITERIA

The Authority will evaluate Responses by application of the evaluation criteria (the “**Evaluation Criteria**”) as outlined in Appendix A.

5.3 EVALUATION AND SELECTION PROCEDURES

To assist in the evaluation of the Responses, the Authority may, in its sole and absolute discretion, but is not required to:

- (a) conduct reference checks relevant to the Project with any or all of the references cited in a Response to verify any and all information regarding a Respondent, inclusive of its directors/officers and key individuals (the “**Key Individuals**”);
- (b) conduct any background investigations and/or seek any additional information that it considers necessary in the course of the Competitive Selection Process;
- (c) seek clarification of a Response or supplementary information from any or all Respondents;
- (d) request interviews/presentations with any, some, or all Respondents to clarify any questions or considerations based on the information included in Responses or seek any supplementary information; and
- (e) rely on and consider any information obtained as a result of such reference checks, background investigations, requests for clarification or supplementary information, interviews/presentations, and/or any additional information in the evaluation of Responses.

The Authority is not obligated to complete a detailed evaluation of all Responses and may, in its discretion, after completing a preliminary review of all the Responses, discontinue detailed evaluation of any Respondent who, when compared to the other Respondents, the Authority judges is not in contention to be shortlisted.

The Authority will notify Respondents of the RFQ results by sending a written notice to the Respondent’s Representative.

The Authority will conduct a debriefing, upon request, for any Respondent if the debriefing is requested within three months after a shortlist has been announced. In a debriefing the Authority will discuss the relative strengths and weaknesses of that Respondent's Response, but the Authority will not disclose or discuss any confidential information (the "**Confidential Information**") of another Respondent.

5.4 INTERVIEWS/PRESENTATIONS

Respondents may be required by the Authority to have interviews or present their Response during the evaluation process at the request of the Authority. The presentations should be specific to the Project and may not contain any marketing information of the Respondent or any member of the Respondent Team.

5.5 CHANGES TO PROPONENT TEAMS

The Authority intends to issue the RFP only to the entities that have been shortlisted under this RFQ (Proponents). If for any reason a Proponent wishes or requires to make a change to its list of team members as listed in the Respondent's Response (either by adding new members, deleting listed members, or substituting new members for listed members), then the Proponent will submit a written application (with such information as the Authority may require, including a comprehensive description of the change, the reason for the change and sufficient information and documentation, including as to suitability, knowledge, skills, resources, experience, qualification and abilities of the new member to the Authority for approval). The Authority, in its sole and absolute discretion, may grant or refuse to grant permission for a change to a Proponent's team list, considering the Authority's objective of achieving a Competitive Selection Process that is not unfair to other Proponents, and without limiting the above.

The Authority's discretion to give approval for changes to a Proponent's team membership includes discretion to approve requests for changes to facilitate or permit changes in ownership or control of a Respondent or a team member; and discretion to approve changes to the legal relationship between team members such as the creation of a new joint venture or other legal entity that will take the place of the Proponent.

The Authority may refuse to permit a change to the membership of a Proponent's team if:

- (a) the change would, in the Authority's judgment, result in a weaker team than the Respondent's team as listed in its Response to this RFQ; or
- (b) the evaluation of the new team, using the Evaluation Criteria described in Appendix A, would rank the Respondent with its changed team lower than another Respondent that had not been shortlisted.

6 RFQ TERMS AND CONDITIONS

6.1 NO OBLIGATION TO PROCEED

This RFQ does not commit the Authority in any way to proceed to an RFP stage or award a contract, and the Authority reserves the complete right to, at any time, reject all Responses and to terminate the Competitive Selection Process established by this RFQ and proceed with the Project in some other manner as the Authority may decide in its absolute discretion.

6.2 FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT AND CONFIDENTIALITY

All documents and other records in the custody of, or under the control of, the Authority are subject to the Freedom of Information and Protection of Privacy Act (“**FOIPPA**”) and other applicable legislation.

By submitting a Response, the Respondent represents and warrants to the Authority that the Respondent has complied with applicable laws, including by obtaining from each individual any required consents and authorizations to the collection of information relating to such individual and to the submission of such information to the Authority as part of the Response for the purposes of this RFQ and the Competitive Selection Process.

6.3 CONFIDENTIALITY OF AUTHORITY INFORMATION

All non-public information pertaining to, or provided by, Partnerships BC or the Authority obtained by a Respondent as a result of participation in this RFQ is confidential and will not be disclosed without written authorization from Partnerships BC or the Authority (as applicable). Except as expressly stated in this RFQ and subject to the FOIPPA or other applicable legislation, all documents and other records submitted in response to this RFQ will be considered confidential; however, such information or parts thereof may be released pursuant to requests under FOIPPA or other applicable legislation. By submitting a Response, a Respondent will be deemed to have agreed to all the terms of the confidentiality agreement (the “**Confidentiality Agreement**”) attached as part of Appendix C to this RFQ.

Proponents will also be required to sign a Participation Agreement (the “**Participation Agreement**”) as a condition of participating in the RFP, and such agreement will include confidentiality and other provisions. The Authority expects that the form of the Participation Agreement will be substantially as set out in Appendix F.

6.4 COST OF PREPARING THE RESPONSE

Each Respondent is solely responsible for all costs it incurs in the preparation of its Response, including without limitation all costs of providing information requested by the Authority, attending meetings, and conducting due diligence.

6.5 NO REPRESENTATION OR WARRANTY

Each Respondent acknowledges by its submission of a Response that it has investigated and satisfied itself of every condition that affects the Project. Each Respondent further acknowledges and represents that its investigations have been based on its own examination, knowledge, information and judgment, and not upon any statement, representation or information made or given by the Authority, the Contact Person or any advisor to the Authority, other than the information contained in this RFQ. Submission of a Response is deemed to be conclusive evidence that the Respondent has made such investigations and that the Respondent is willing to assume, and does assume, all risks affecting the Project, except as otherwise specifically stated in this RFQ. The Authority accepts no responsibility for any Respondent lacking any information.

6.6 RESERVATION OF RIGHTS

The Authority reserves the right, in its sole and absolute discretion, to exercise any or all of the following rights:

- (a) amend the scope of the Project, modify, cancel or suspend the RFQ process or any or all stages of the Competitive Selection Process, at any time for any reason;
- (b) accept or reject any Response based on the Evaluation Criteria as evaluated by the Authority;
- (c) disqualify a Response that fails to meet the stated mandatory requirements (the “**Mandatory Requirements**”) under Section 4.1 of this RFQ, or for any of the reasons set out in Section 2.2 of Appendix A, or any other reason the Authority determines appropriate;
- (d) waive a defect, irregularity, non-conformity or non-compliance in or with respect to a Response or failure to comply with the requirements of this RFQ, except for Mandatory Requirements, and accept that Response even if such a defect, irregularity, non-conformity or non-compliance or failure to comply with the requirements of this RFQ would otherwise render the Response null and void;
- (e) not accept any or all Responses;
- (f) reject or disqualify any or all Response(s) for any reason without any obligation, compensation or reimbursement to any Respondent or any of its team members;

- (g) re-advertise for new Responses, call for quotes, proposals or tenders, or enter into negotiations for this Project or for work of a similar nature;
- (h) make any changes to the terms of the business opportunity described in this RFQ; and
- (i) amend, from time to time, any date, any time period or deadline provided in this RFQ, upon written notice to all Respondents who submitted a Receipt Confirmation Form.

6.7 LIMITATION OF DAMAGES

- (f) all capitalized terms not otherwise defined in this Agreement have the respective meanings ascribed to them in Section 7 of this RFQ.

2. Confidentiality

The Recipient will keep all Confidential Information strictly confidential and will not without the prior written consent of the Authority, which may be unreasonably withheld, disclose, or allow any of its Representatives to disclose, in any manner whatsoever, in whole or in part, or use, or allow any of its Representatives to use, directly or indirectly, the Confidential Information for any purpose other than the Permitted Purposes. The Recipient will make all reasonable, necessary and appropriate efforts to safeguard the Confidential Information from disclosure to any other person, firm, corporation, or other entity except as permitted in this Agreement, and will ensure that each of its Representatives agrees to keep such information confidential and to be bound by the terms contained herein.

4. Limited Disclosure

The Recipient may disclose Confidential Information only to those of its Representatives who need to know the Confidential Information for the purpose of evaluating the Project and preparing its Response or proposal as applicable and on the condition that all such Confidential Information be retained by each of those Representatives as strictly confidential. 6. Acknowledgment of Irreparable Harm

The Recipient acknowledges and agrees that the Confidential Information is proprietary and confidential and that the Authority or Partnerships BC may be irreparably harmed if any provision of this Agreement were not performed by the Recipient or any party to whom the Recipient provides Confidential Information in accordance with its terms, and that any such harm could not be compensated reasonably or adequately in damages. The Recipient further acknowledges and agrees that the Authority will be entitled to injunctive and other equitable relief to prevent or restrain breaches of any of the provisions of this Agreement by the Recipient or any of its Representatives, or to enforce the terms and provisions hereof, by an action instituted in a court of competent jurisdiction, which remedy or remedies are in addition to any other remedy to which the Authority may be entitled at law or in equity.
