1 INTRODUCTION

The Dawson Creek and District Hospital Redevelopment Project (the "Project") has been approved to proceed with a Progressive Design-Build ("Progressive DB") procurement.

1.1 PURPOSE OF THIS RFQ

The purpose of this Request for Qualifications ("RFQ") is to invite interested parties to submit Responses indicating their interest in, and qualifications for, the Project. Based on these Responses, the Northern Health Authority (the "Authority") intends to select, in accordance with the terms of this RFQ, a shortlist of up to three Proponents to be invited to participate in the Design Early Works Agreement request for proposals ("DEWA RFP").

This RFQ is not a tender or an offer or a request for proposals ("RFP"), and there is no intention by the Authority to make an offer by issuing this RFQ.

If a capitalized term used in this RFQ is not defined in Section 7, it will be defined in the section of the RFQ in which it is first used.

1.2 ADMINISTRATION OF THIS RFQ

Infrastructure BC Inc. ("Infrastructure BC") is managing this RFQ and the procurement process on behalf of the Authority.

1.3 ELIGIBILITY

Any interested party, or parties, may submit a Response to this RFQ. Respondents may be individuals, corporations, joint ventures, partnerships or any other legal entities. If the Respondent is not a legal entity, the Respondent will act through the legal entity or entities comprising the Respondent.

1.4 PROJECT BRIEF

The Authority has issued a Project Brief for the purpose of providing an informal and convenient summary of aspects of the Project. The Project Brief is not included as part of the procurement process, including the RFQ, the DEWA RFP or the DBA RFP, and is not intended to be included with, or referred to in any way in interpreting the requirements of the RFQ, the DEWA RFP, the DBA RFP, the Design Early Works Agreement, the Design-Build Agreement, or to in any way define or describe any party's rights with respect to the Project.

2 THE PROJECT

2.1 DAWSON CREEK AND DISTRICT HOSPITAL

The Dawson Creek and District Hospital serves a diverse population that includes the community of Dawson Creek, the First Nations communities of the Prophet River First Nation, Doig River First Nation, Blueberry River First Nation, Saulteau First Nations, West Moberly First Nations and Halfway River First Nation and the surrounding communities of the South Peace including the Kelly Lake community, Chetwynd, Tumbler Ridge and Pouce Coupe.

The current Dawson Creek and District Hospital (the "Existing Hospital"), originally built in 1960 and expanded in 1996, provides essential services including medical and surgical inpatient care, ambulatory care, cancer care, maternity and newborn care, mental health services, diagnostic imaging, surgery, physiotherapy and occupational therapy and supporting services. The Existing Hospital operates 44 beds.

The Project has a Design-Build Price Ceiling estimated between \$275 million and \$325 million (to be confirmed in the DEWA RFP) and includes:

- design and construction of a new hospital (the "Facility"), estimated to be approximately 19,000 m², on a greenfield site, with:
 - 70 inpatient acute beds (providing medical surgical, maternity, high acuity, and mental health services);
 - 2 operating rooms;
 - 1 minor procedure room;
 - diagnostic imaging, including computerized tomography, radiology, ultrasound and other modalities;
 - 15 emergency department treatment spaces;
 - academic and teaching space;
- LEED® Gold certification; and
- 334 surface parking stalls and landscaping.

2.2 PROGRESSIVE DESIGN-BUILD

The Progressive DB Competitive Selection Process consists of an RFQ followed by the DEWA RFP. The Competitive Selection Process ends upon execution of the Design Early Works Agreement. The Progressive DB procurement process continues with the Design-Build Agreement RFP ("DBA RFP").

Based on the RFQ Responses, the Authority plans to shortlist up to three Respondents to be invited to become DEWA Proponents and participate in the DEWA RFP. DEWA Proponents will submit a DEWA RFP Proposal and one DEWA Proponent will be selected as the Preferred Proponent and invited to finalize the Design Early Works Agreement with the Authority and participate in the DBA RFP.

The Authority intends to enter the Design-Build Agreement with the Design-Builder, upon acceptance of a DBA RFP Proposal.

More details about the Competitive Selection Process and the DBA RFP can be found in Section 3.

2.3 PROJECT OBJECTIVES

To aid with the development of the Project scope and infrastructure decisions, Project objectives have been established as follows:

- create an exceptional hospital experience and support high levels of self-reported experience ratings for patients and families.
- incorporate evidence-based design features that improve the healing environment, enable culturally safe care for Indigenous peoples, and are welcoming to all communities served by the Project.
- create a safe and healthy work environment that improves staff, medical staff, and volunteer engagement, recruitment and retention, and minimizes workplace injuries.
- meet current best practices and standards in healthcare delivery to improve outcomes for people.
- provide a facility that can accommodate current and future demand projections.
- improve operating efficiency.

2.4 PROJECT TEAM

2.4.1 Northern Health Authority

The Authority, the Project owner, serves close to 300,000 residents, 19.3 percent of whom are of Indigenous descent, throughout 12 census communities, 54 First Nations communities, and numerous unincorporated areas. The Authority's region encompasses roughly 64 percent of the province's landmass.

Additional information about the Authority is available at www.northernhealth.ca/.

2.4.2 Infrastructure BC

Infrastructure BC, formerly named Partnerships BC, supports the public sector by working with owners to deliver complex public infrastructure in an evolving world.

The Authority has engaged Infrastructure BC to manage the procurement of the Project.

Additional information about Infrastructure BC is available at www.partnershipsbc.ca.

2.5 ADVANCE WORK BY THE AUTHORITY

The following sections provide an overview of the work undertaken on the Project to date, and work planned to be undertaken prior to Contract Execution.

2.5.1 Approval

The Project has been approved to proceed to procurement by the Province of British Columbia (the Province). Further government approvals are required prior to issuance of the DEWA RFP, DBA RFP, execution of the Design Early Works Agreement, and Contract Execution.

2.5.2 Site

The Facility will be built on a new site (the "New Hospital Site") which is in close proximity to the site of the Existing Hospital (the "Existing Hospital Site"). Figure 1 below shows the location of the New Hospital Site and Existing Hospital Site.

The New Hospital Site will be acquired from Northern Lights College ("NLC") and is already appropriately zoned for the Facility. Ownership of the New Hospital Site will be transferred to the Authority prior to Contract Execution. Construction of the Facility on the New Hospital Site will reduce disruption to existing hospital operations.

The City of Dawson Creek (the "City") has confirmed that a development permit will not be required.

Figure 1: Site Plan

2.5.3 Works Undertaken by the Authority

The following works for the Project are complete:

- a functional program, which will form the basis for clinical specifications;
- an indicative design, which will support the development of the Statement of Requirements;
- a geotechnical site investigation.

2.5.4 Indicative Design

The indicative design provides assistance with the development of the Statement of Requirements. It is not intended to restrict Proponents in their design of the Project. Rather, the Authority wishes to encourage innovative design solutions from Proponents that offer benefits to the Project.

The indicative design will be provided to DEWA Proponents with the issuance of the Project's DEWA RFP.

2.5.5 Geotechnical Site Investigation

The geotechnical site investigation gathered data from nine drill holes at locations distributed throughout the site. The geotechnical report will be provided to DEWA Proponents with the issuance of the Project's DEWA RFP.

2.6 DESIGN EARLY WORKS AGREEMENT

The Design Early Works Agreement incorporates the draft Design-Build Agreement as a reference point for the Design-Builder pertaining to the design of the Facility and their related obligations. The development of design under the Design Early Works Agreement will happen concurrently as the Authority and successful Proponent negotiate to enter into a Design-Build Agreement for the Project. Once executed, the Design Build Agreement will supersede the Design Early Works Agreement.

The following sections describe the Design-Builder's responsibilities under the Design Early Works Agreement as well as the key commercial terms of the agreement.

2.6.1 Responsibility Under the Design Early Works Agreement

The Authority intends to provide an Initial Draft Design Early Works Agreement to the shortlisted DEWA Proponents, which will support the development of the DEWA RFP Proposals. The Authority will select a Preferred Proponent that, following the evaluation of the DEWA RFP Proposals, will then be invited to finalize the Design Early Works Agreement and participate in the DBA RFP.

Based on the process and requirements set out in the Design Early Works Agreement, the Design-Builder and Authority representatives will meet to collaborate on the development of the Facility's design.

Under the Design Early Works Agreement, the Design-Builder's design team will be responsible for all aspects of the design for the Facility including the integration of the various building components with each other. The Design-Builder will be expected to monitor the design to ensure constructability, scope adherence and affordability. The final design will comply with the Statement of Requirements and all applicable laws, including City zoning. The Design Early Works Agreement will cover the entire design development process.

2.6.2 Key Commercial Terms of the Design Early Works Agreement

The following are some of the key commercial terms that the Authority anticipates will be included in the Design Early Works Agreement:

- (a) the Authority will make monthly progress payments to the Design-Builder over the design period as defined in the Design Early Works Agreement.
- (b) the design development will be delivered as a service through the Design Early Works Agreement until such point that the Design-Build Agreement is executed.

- (c) the term of the Design Early Works Agreement ends at the earlier of the execution of the Design-Build Agreement, the completion of the design (issued for construction drawings) or termination by the Authority (at the discretion of the Authority).

If the Authority chooses to discontinue the DBA RFP, the Design Early Works Agreement will terminate and the Design-Builder's design sub-contracts will be assigned to the Authority, at the Authority's discretion. The Authority will own the design and can then determine whether to complete the design and proceed with construction under a different approach.

2.7 DESIGN-BUILD AGREEMENT

The following sections describe the Design-Builder's responsibilities under the Design-Build Agreement as well as the key commercial terms of the agreement.

2.7.1 Responsibility under the Design-Build Agreement

The Authority intends to provide an Initial Draft Design-Build Agreement to the Proponents during the DEWA RFP. The Authority anticipates that the general scope of the Design-Builder's responsibility under the Design-Build Agreement will be as follows:

- (a) Design

The Design-Builder will be responsible for all aspects of the design for the Facility including the integration of the various building components with each other. The final design will comply with the Statement of Requirements and all applicable laws, including City zoning.

- (b) Construction

The Design-Builder will be completely responsible for:

- (1) obtaining all permits and approvals necessary for construction of the Facility, excluding zoning approvals already in place;
- (2) provision of utilities and services required to support the Facility, including off-site works as required;
- (3) construction of the Facility; and
- (4) achieving substantial and total completion of the Project.

- (c) Wood First

As contemplated by the *Wood First Act* (British Columbia), the Design-Builder will be required to use wood in the Project consistent with Wood First legislation.

- (d) Leadership in Energy and Environmental Design (LEED®)

The Design-Builder will be required to build the Facility to achieve LEED® Gold certification. The Authority has registered the Project with the U.S. Green Building Council under LEED v4 BD+C: Healthcare and plans to transfer that registration to the Design-Builder following the execution of the Design Early Works Agreement.

(e) Communication and Consultation

The Authority and Design-Builder will work together on all aspects of public communication and consultation as set out in the Design-Build Agreement.

(f) Apprentices on Public Projects in British Columbia Policy and Procedures Guidelines

As contemplated by the Apprentices on Public Projects in British Columbia Policy and Procedures Guidelines (the Apprentices Policy), the Design-Builder (and any subcontractors as defined in the Apprentices Policy) will be required to demonstrate engagement in apprenticeship training, to use apprentices on the work site, and to report accordingly to government. The Design-Build Agreement will contain terms to ensure compliance.

Further information about the Apprentices Policy is available at:

<http://www2.gov.bc.ca/gov/content/industry/construction-industry/apprentices>.

2.7.2 Key Commercial Terms of the Design-Build Agreement

The following are some of the key commercial terms that the Authority anticipates will be included in the Design-Build Agreement:

- (a) the Authority will make progress payments to the Design-Builder over the design and construction period as defined in the Design-Build Agreement.
- (b) it is anticipated that the Design-Builder's price to design and build the facility will not exceed the Design-Build Price Ceiling in the DEWA RFP and DBA RFP.
- (c) the Design-Build Agreement will allocate risks to the party best able to manage those risks. Risks allocated to the Design-Builder will include design, schedule and price.
- (d) the Authority anticipates requiring the Design-Builder to provide a two-year warranty for the Project.

2.8 KEY INDIVIDUALS

In this RFQ, the Owner requires the Respondent to nominate Key Individuals which include, but are not limited to:

- (a) Design-Build Director;

- (b) Design-Build Construction Manager;
- (c) Design-Build Design Manager; and
- (d) Lead Architect.

In regard to all Key Individuals (including the Additional Key Individuals referenced in section 3.2.2), Respondents should anticipate that the Design-Build Agreement will allow for certain deductions to the Design-Builder, and/or payments to the Authority, to address unavailability and related issues.

Any proposed replacement should possess expertise and experience that is similar to, if not better than, that of the unavailable Key Individual and any such replacement is subject to approval of the Authority.

3 PROCUREMENT PROCESS

This section describes the process that the Authority expects to use in the selection of a Preferred Proponent and the execution of the Design Early Works Agreement. The anticipated procurement process includes the RFQ, the DEWA RFP and the DBA RFP.

3.1 RFQ

The Authority anticipates that it will select a shortlist of up to three Respondents to be invited to participate in the DEWA RFP as DEWA Proponents.

3.2 DEWA RFP

The DEWA RFP will invite the DEWA Proponents to prepare and submit a DEWA RFP Proposal to design the Facility under the Design Early Works Agreement.

The DEWA RFP will proceed as follows:

- 1) the DEWA Proponents will prepare a DEWA RFP Proposal that will include:
 - a. a plan detailing the DEWA Proponent's Project Approach and Process;
 - b. a description of the DEWA Proponent's plans for Implementation of Design; and
 - c. the Design Early Works Price.
- 2) based on the evaluation of the DEWA RFP Proposals, the Authority will select the Proponent with the highest score to work with to finalize the Design Early Works Agreement;
- 3) following the execution of the Design Early Works Agreement, the Authority will invite the Preferred Proponent to the DBA RFP stage.

3.2.1 Additional Key Individuals

Respondents should anticipate that in the DEWA RFP, the Authority will require that DEWA Proponents nominate the following Additional Key Individuals:

- (a) Building Envelope Specialist;
- (b) Communications (Information Technology) Lead;
- (c) Electrical Design Engineer Lead;
- (d) Mechanical Design Engineer Lead; and
- (e) Security Lead.

(each is an "Additional Key Individual", collectively the "Additional Key Individuals").

All such Additional Key Individuals will be subject to the approval of the Authority, acting reasonably.

3.2.2 Collaborative Meetings

The one Collaborative Meeting planned for each DEWA Proponent during the DEWA RFP is expected to be related to technical and commercial matters relating to the Design Early Works Agreement.

During the DEWA RFP stage, DEWA Proponents will be provided with the Initial Draft Design Early Works Agreement, the Initial Draft Design-Build Agreement, and the draft DBA RFP. The process is anticipated to proceed as follows:

- (a) the Authority will invite each DEWA Proponent to review the Initial Draft Design Early Works Agreement and then meet confidentially and separately with the Authority at the Collaborative Meeting to discuss any comments or amendments that the DEWA Proponent requests to be considered;
- (b) the Authority will consider all comments and requested amendments received from the DEWA Proponents and may, at the discretion of the Authority, amend the Initial Draft Design Early Works Agreement, and by one or more Addenda issue a revised Initial Draft Design Early Works Agreement; and
- (c) the Authority will issue the Final Draft Design Early Works Agreement, as the basis for preparation of the DEWA RFP Proposals by the DEWA Proponents under the DEWA RFP.

3.3 DBA RFP

Following the execution of the Design Early Works Agreement, the Design-Builder will develop the Project's design in accordance with that agreement. On a parallel track, the DBA Proponent will participate in Collaborative Meetings to discuss and reach agreement on the commercial terms of the Design-Build Agreement. The Progressive DB process accommodates multiple DBA RFP Proposals, if required, for the Authority and the Proponent to finalize the Design-Build Agreement.

The Authority anticipates that each of the DBA RFP Proposals will include a technical submission and a financial submission. Prior to each submission time for technical submissions, the Authority intends to issue by Addendum one or more revised drafts of the Design-Build Agreement, including those that will be identified as the final draft design-build agreement (the Final Draft Design-Build Agreement). The technical submission(s) are expected to include the following:

- (a) confirmation that the Proposal substantially meets the provisions of the DBA RFP and the Final Draft Design-Build Agreement;

- (b) anticipated design and construction schedules; and
- (c) details of the management plan for construction.

The financial submission(s) are expected to include the following:

- (a) confirmation that the DBA RFP Proposal substantially meets the provisions of the DBA RFP, including the requirements set out in the Final Draft Design-Build Agreement.
- (b) confirmation that the Aggregated Nominal Cost of the DBA RFP Proposal is within the Design-Build Price Ceiling;
- (c) confirmation that sufficient insurance coverage and bonding for the Project will be in place if the Proponent is awarded the contract and demonstration of the Proponent's financial capacity; and
- (d) confirmation of committed pricing for the Project, inclusive of all taxes except GST.

The Authority will evaluate the DBA RFP Proposal(s) to determine whether it is satisfied that the DBA RFP Proposal substantially meets the requirements of the DBA RFP, including affordability and providing value for taxpayers' dollars (e.g. the pricing is efficient in consideration of market conditions at the time). Following the evaluation, if the Proposal is unacceptable to the Authority, it can elect to either move to the next technical and financial submission (Proposal) from the Proponent or, if reaching agreement on the DBA is not likely to be achieved, cancel the DBA RFP.

If the DBA RFP is cancelled, then, in accordance with the Design Early Works Agreement, the contract with the Design-Builder's design team and the ownership of the design may be assigned to the Authority. The Authority can then determine whether to complete the design and proceed with construction under a different approach (e.g. stipulated sum).

3.4 COMPENSATION FOR PARTICIPATION IN THE PROCUREMENT PROCESS

The Authority will not pay any partial compensation in relation to the procurement process. Design work will not be required for the DEWA RFP Proposal. During design development, the Design-Builder will be compensated by the Authority pursuant to the Design Early Works Agreement.

3.5 PROCUREMENT TIMELINE

The following is the Authority's estimated timeline for the procurement process and the Project:

- (b) conduct any additional investigations and/or seek any additional information that it considers necessary in the course of the Competitive Selection Process, including with respect to Nominated Projects and projects in which a Respondent Team member has been involved in the last seven years but which are not Nominated Projects;
- (c) seek clarification of a Response or supplementary information from any or all Respondents;
- (d) request interviews with any, some, or all Respondents to clarify any questions or considerations based on the information included in Responses or seek any supplementary information; and
- (e) rely on and consider in the evaluation of the Responses any information obtained as a result of such reference checks, investigations, requests for clarification or supplementary information, interviews, and/or any additional information that it receives during the evaluation process.

The Authority is not obligated to complete a detailed evaluation of all Responses and may, in its discretion, after completing a preliminary review of all the Responses, discontinue detailed evaluation of any Respondent for any reason, including if the Authority:

- (a) considers a Response to be incomplete;
- (b) after reviewing the information submitted in a Response relating to the requirements set out in Section 4 of Table 3 of Appendix A, considers that the information submitted is insufficient to

demonstrate to the satisfaction of the Authority, in its discretion, that the Respondent and each other Respondent Team member (other than Key Individuals) has the financial capacity to fulfill its obligations in respect of the Project; or

- (c) judges the Response or response, when compared to the Responses of other Respondents, to not be in contention to be shortlisted.

If the Authority proceeds to the DEWA RFP stage, the Authority will determine the number of Respondents, up to a maximum of three, who will be shortlisted as DEWA Proponents. The Authority's determination will include consideration of which Respondents have sufficient experience and capability to undertake the Project.

The Authority will notify Respondents of the RFQ results by sending a written notice to the Respondent Representative.

The Authority will conduct a debriefing, upon request, for any Respondent if the debriefing is requested within 90 days after a shortlist has been announced. In a debriefing, the Authority will discuss the relative strengths and weaknesses of that Respondent's Response; but the Authority will not disclose or discuss any confidential information of any other Respondent or its Response.

5.3 INTERVIEWS

Respondents may be required by the Authority to have interviews regarding their Response during the evaluation process at the request of the Authority. The agenda for the interview will be set by the Authority. The interviews should be specific to the Project and may not contain any marketing information of the Respondent or any member of the Respondent Team.

5.4 CHANGES TO RESPONDENT TEAMS

The Authority intends to issue the DEWA RFP only to Respondents that have been shortlisted under this RFQ as DEWA Proponents for the DEWA RFP. If for any reason after the Submission Time a Respondent wishes or requires to add, remove or otherwise change a member of its Respondent Team, or there is a material change in ownership or control (which includes the ability to direct or cause the direction of the management actions or policies of a member) of a member of the Respondent Team, or there is a change to the legal relationship among any or all of the Respondent and its Respondent Team members, then the Respondent will submit a written application to the Authority for approval, including supporting information that may assist the Authority in evaluating the change. The Authority, in its discretion, may grant or refuse an application under this Section, and in exercising its discretion the Authority will consider the objective of achieving a Competitive Selection Process that is not unfair to the other Respondents. For clarity:

- (a) if the application is made after the Proponents have been determined, the Authority may refuse to permit a change to the membership of a Respondent Team if the change would, in the Authority's judgment, result in a weaker team than was originally shortlisted; or
- (b) the Authority may, in the exercise of its discretion, permit any changes to a Respondent Team, including changes as may be requested arising from changes in ownership or control of a Respondent or a Respondent Team member, or changes to the legal relationship among the Respondent Team members such as the creation of a new joint venture or other legal entity or relationship in place of the Respondent Team.

The Authority's approval may include such terms and conditions as the Authority may consider appropriate. This Section 5.4 will apply until issuance of the DEWA RFP.

6 RFQ TERMS AND CONDITIONS

6.1 NO OBLIGATION TO PROCEED

This RFQ does not commit the Authority in any way to proceed to the DEWA RFP, the DBA RFP, or award a contract, and the Authority reserves the complete right to, at any time, reject all Responses and to terminate the Competitive Selection Process established by this RFQ and proceed with the Project in some other manner as the Authority may decide in its discretion.

6.2 FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

All documents and other records in the custody of, or under the control of, the Authority are subject to the Freedom of Information and Protection of Privacy Act (FOIPPA) and other applicable legislation.

By submitting a Response, the Respondent represents and warrants to the Authority that the Respondent has complied with applicable laws, including by obtaining from each individual any required consents and authorizations to the collection of information relating to such individual and to the submission of such information to the Authority as part of the Response for the purposes of this RFQ and the Competitive Selection Process.

6.3 CONFIDENTIALITY OF AUTHORITY INFORMATION

All non-public information pertaining to, or provided by or on behalf of, Infrastructure BC or the Authority obtained by a Respondent as a result of participation in this RFQ is confidential and will not be disclosed without written authorization from Infrastructure BC or the Authority (as applicable). Except as expressly stated in this RFQ and subject to the FOIPPA or other applicable legislation, all documents and other records submitted in response to this RFQ will be considered confidential; however, such information or parts thereof may be released pursuant to requests under FOIPPA or other applicable legislation.

By submitting a Response, a Respondent will be deemed to have agreed to all the terms of the Confidentiality Agreement attached as part of Appendix C to this RFQ.

Proponents will also be required to sign a Participation Agreement as a condition of participating in the DEWA RFP, and if selected as DBA Proponent, as a condition of participating in the DBA RFP, and such agreements will include confidentiality and other provisions. The Authority expects that the form of the Participation Agreements will be substantially as set out in Appendix F.

The Authority has engaged Infrastructure BC. Infrastructure BC has been and will continue to be involved in other projects and the Authority may receive information in respect of other projects that may be relevant to the Project. Subject to the terms of the RFQ, the Authority may in its discretion disclose

information that is available from this Project to Infrastructure BC and other projects and may obtain information from other projects.

6.4 COST OF PREPARING THE RESPONSE

Each Respondent is solely responsible for all costs it incurs in the preparation of its Response, including without limitation all costs of providing information requested by the Authority, attending meetings, and conducting due diligence.

6.5 NO REPRESENTATION OR WARRANTY

Each Respondent acknowledges by its submission of a Response that it has investigated and satisfied itself of every condition that affects the Project. Each Respondent further acknowledges and represents that its investigations have been based on its own examination, knowledge, information and judgment, and not upon any statement, representation or information made or given by the Authority, Infrastructure BC, the Contact Person or any advisor to the Authority, other than the information contained in this RFQ. Submission of a Response is deemed to be conclusive evidence that the Respondent has made such investigations and that the Respondent is willing to assume, and does assume, all risks affecting the Project, except as otherwise specifically stated in this RFQ. The Authority accepts no responsibility for any Respondent lacking any information.

6.6 RESERVATION OF RIGHTS

The Authority reserves the right, in its discretion, to exercise any or all of the following rights:

- (a) amend the scope of the Project, modify, cancel or suspend the RFQ process or any or all stages of the Competitive Selection Process, at any time for any reason;
- (b) accept or reject any Response based on the Evaluation Criteria as evaluated by the Authority;
- (c) disqualify a Response that fails to meet the Mandatory Requirements set out in Section 4.1, or for any of the reasons set out in Part 2 of Appendix A, or any other reason the Authority determines appropriate;
- (d) waive a defect, irregularity, non-conformity or non-compliance in or with respect to a Response or failure to comply with the requirements of this RFQ, except for Mandatory Requirements, and accept that Response even if such a defect, irregularity, non-conformity or non-compliance or failure to comply with the requirements of this RFQ would otherwise render the Response null and void;
- (e) not accept any or all Responses;

- (f) reject or disqualify any or all Response(s) for any reason without any obligation, compensation or reimbursement to any Respondent or any of its team members;
- (g) re-advertise for new Responses, call for quotes, proposals or tenders, or enter into negotiations for this Project or for work of a similar nature;
- (h) make any changes to the terms of the business opportunity described in this RFQ; and
- (i) amend, from time to time, any date, any time period or deadline provided in this RFQ, upon written notice to all Respondents who submitted a Receipt Confirmation Form.

6.7 LIMITATION OF DAMAGES

Each Respondent, by submitting a Response, agrees that in no event will the Authority or Infrastructure BC, or any of their employees, advisors or representatives, be liable, under any circumstances, for any Claim, or to reimburse or compensate the Respondent in any manner whatsoever, including but not limited to costs of preparation of the Response, loss of anticipated profits, loss of opportunity, or for any other matter. Without in any way limiting the above, each Respondent specifically agrees that it will have absolutely no Claim against the Authority or any of its employees, advisors or representatives if the Authority for any reason whatsoever:

- (a) does not select a shortlist of Respondents;
- (b) suspends, cancels or in any way modifies the Project or the Competitive Selection Process (including modification of the scope of the Project or modification of this RFQ or both);
- (c) accepts any compliant or non-compliant Response or selects a shortlist of one or more Respondent(s);
- (d) under the terms of this RFQ, permits or does not permit a Restricted Party to advise, assist or participate as part of a Respondent Team; or
- (e) for any breach or fundamental breach of contract or legal duty of the Authority, whether express or implied.

The Respondent waives any and all Claims whatsoever, including Claims for loss of profits or loss of opportunity, if the Respondent is not shortlisted in the Competitive Selection Process or for any other reason whatsoever.

6.8 OWNERSHIP OF RESPONSES

All Responses submitted to the Authority become the property of the Authority.

6.9 DISCLOSURE AND TRANSPARENCY

The Authority is committed to an open and transparent Competitive Selection Process while understanding the Respondents' need for protection of confidential commercial information. To assist the Authority in meeting its commitment, Respondents will cooperate and extend all reasonable accommodation to this endeavour.

The Authority expects to publicly disclose the following information during this stage of the Competitive Selection Process: this RFQ document, the number of Respondents, and the names of Proponents.

To ensure that all public information generated about the Project is fair and accurate and will not inadvertently or otherwise influence the outcome of the Competitive Selection Process, the disclosure of any public information generated in relation to the Project, including communications with the media and the public, will be coordinated with, and is subject to prior approval of, the Authority.

Respondents will notify the Authority of any and all requests for information or interviews received from media.

Respondents will ensure that all members of the Respondent Team and all others associated with the Respondent also comply with these requirements.

6.10 NO COMMUNICATION OR COLLUSION

By submitting a Response, a Respondent, on its own behalf and as authorized agent of each firm, corporation or individual member of the Respondent Team, represents and confirms to the Authority, with the knowledge and intention that the Authority may rely on such representation and confirmation, that its Response has been prepared without collusion or fraud, and in fair competition with Responses from other Respondents.

Respondents and their Respondent Team members are not to discuss or communicate, directly or indirectly, with other Respondents or their Respondent Team members or any of their respective directors, officers, employees, consultants, advisors, agents or representatives regarding the preparation, content or submission of their Responses or any other aspect of the Competitive Selection Process.

6.11 NO LOBBYING

Respondents and their respective Respondent Teams, the members of their Respondent Teams, and their respective directors, officers, employees, consultants, agents, advisors and representatives will not engage in any form of political or other lobbying whatsoever in relation to the Project, this RFQ, or the Competitive Selection Process, including for the purpose of influencing the outcome of the Competitive Selection Process. Further, no such person (other than as expressly contemplated by this RFQ) will

attempt to communicate in relation to the Project, this RFQ, or the Competitive Selection Process, directly or indirectly, with any representative of the Authority, the Government of British Columbia (including any Minister or Deputy Minister, any member of the Executive Council, or any Members of the Legislative Assembly) any Restricted Parties, or any director, officer, employee, agent, advisor, consultant or representative of any of the foregoing, as applicable, for any purpose whatsoever.

In the event of any lobbying or communication in contravention of this Section by any Respondent, Respondent Team members, or their respective directors, officers, employees, consultants, agents, advisors or representatives, the Authority in its discretion may at any time, but will not be required to, reject any and all Responses submitted by that Respondent without further consideration.

6.12 RELATIONSHIP DISCLOSURE AND REVIEW PROCESS

The Authority reserves the right to disqualify any Respondent that in the Authority's opinion has a conflict of interest or an unfair advantage, whether it is existing now or is likely to arise in the future, or may permit the Respondent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority.

Respondents will submit the form attached as Appendix E and disclose all conflicts of interest or unfair advantage.

Respondents, including all firms, corporations or individual members of a Respondent Team, will promptly disclose to the Contact Person any potential conflict of interest and existing business relationships they may have with the Authority, Infrastructure BC (or any members of the Authority or Infrastructure BC) or others providing advice or services to the Authority with respect to the Project, or any other matter that gives rise, or might give rise, to an unfair advantage. At the time of such disclosure, the Respondent will advise the Contact Person how the Respondent proposes to mitigate, minimize or eliminate the situation.

For the purposes of this RFQ, references to unfair advantage include references to confidential information that is not, or would not reasonably be expected to be, available to all Respondents.

The Authority and the Conflict of Interest Adjudicator (the COI Adjudicator) may, in their discretion, consider actual, perceived or potential conflicts of interest and unfair advantage.

6.12.1 Use or Inclusion of Restricted Parties

The Authority may, in its discretion, disqualify a Respondent, or may permit a Respondent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority, if the Respondent is a Restricted Party, or if the Respondent uses a Restricted Party:

- (a) to advise or otherwise assist the Respondent respecting the Respondent's participation in the Competitive Selection Process; or
- (b) as a Respondent Team member or as an employee, advisor or consultant to the Respondent or a Respondent Team member.

Each Respondent is responsible, and bears the onus, to ensure that neither the Respondent nor any Respondent Team member uses or seeks advice or assistance from any Restricted Party or includes any Restricted Party in the Respondent Team except as permitted by this Section 6.12.

6.12.2 Current Restricted Parties

At this RFQ stage, and without limiting the definition of Restricted Parties, the Authority has identified the following persons as Restricted Parties, including their former and current employees who fall within the definition of Restricted Party.

A Shared Use Person is a person identified by the Authority as eligible to enter into arrangements with any and all Respondents but may not enter into exclusive arrangements with any Respondent. As of the date of this RFQ, no Shared Use Persons have been identified.

6.12.4 Conflict of Interest Adjudicator

The Authority has appointed a COI Adjudicator to provide decisions on conflicts of interest or unfair advantage issues, including whether any person is a Restricted Party.

The COI Adjudicator and the Authority may make decisions or exercise rights under this Section 6.12 and this RFQ for conflicts of interest, unfair advantage whether addressed in advance or otherwise, and all provisions of this Section 6.12 will apply with such modifications as the Authority or the COI Adjudicator may consider necessary.

The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time.

There is no requirement for all issues to be referred to the COI Adjudicator.

6.12.5 Request for Advance Decision

A Respondent or a prospective member or advisor of a Respondent Team who has any concerns regarding whether a current or prospective employee, advisor or member of that Respondent Team is or may be a Restricted Party or has a concern about any conflict or unfair advantage it may have, is encouraged to request an advance decision in accordance with this Section 6.12.5.

To request an advance decision on whether a person is a Restricted Party, a Respondent or prospective team member or advisor of that Respondent Team should submit to the Contact Person, not less than 10 Business Days prior to the Submission Time by email, the following information:

- (a) names and contact information of the Respondent and the person for which the advance opinion is requested;
- (b) a description of the relationship that raises the possibility or perception of a conflict of interest or unfair advantage;
- (c) a description of the steps taken to date, and future steps proposed to be taken, to mitigate the conflict of interest or unfair advantage, including the effect of confidential information; and

The Authority may make an advance decision or may refer the request for an advance decision to the COI Adjudicator. If the Authority refers the request to the COI Adjudicator, the Authority may provide input regarding the issues raised to the COI Adjudicator.

Subject to Section 6.2, all requests for advance decisions will be treated in confidence. If a Respondent or prospective team member or advisor becomes a Restricted Party, it may be listed in an Addendum or in subsequent Competitive Selection Process documents as a Restricted Party.

6.12.6 The Authority May Request Advance Decision

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a potential conflict, unfair advantage or a person who may be a Restricted Party. The Authority will, if it seeks an advance decision from the COI Adjudicator,

provide the COI Adjudicator with relevant information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the possible Respondent and may give notice to the possible Restricted Party so that they may provide input regarding the issues raised to the COI Adjudicator.

The onus is on the Respondent to clear any potential conflict, unfair advantage, or Restricted Party, or to establish any conditions for continued participation, and the Authority may require that the Respondent make an application under Section 6.12.5.

6.12.7 Decisions Final and Binding

The decision of the Authority or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Respondents, Respondent Team members and the Authority. The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstances in which a decision may be amended or supplemented.

6.12.8 Exclusivity

Unless permitted by the Authority in its discretion or permitted as a Shared Use Person, each Respondent will ensure that no member of its Respondent Team, any firm or employer of any of its Key Individuals, or any Affiliated Person of any member of its Respondent Team, or any firm or employer of any of its Key Individuals, participates as a member of any other Respondent Team.

If the Respondent contravenes the foregoing, the Authority reserves the right to disqualify the Respondent, or to permit the Respondent to continue and impose such conditions as may be required by the Authority. Each Respondent is responsible, and bears the onus, to ensure that the Respondent, each member of its Respondent Team, and their respective Affiliated Persons do not contravene the foregoing.

A Respondent or a prospective Respondent Team member who has any concerns regarding whether participation does, or will, contravene the foregoing is encouraged to request an advance decision. To request an advance decision on matters related to exclusivity, the Respondent or prospective Respondent Team member should submit to the Contact Person, not less than ten (10) Business Days prior to the Submission Time by email, the following information:

- (a) names and contact information of the Respondent or prospective Respondent Team member making the disclosure;
- (b) a description of the relationship that raises the possibility of non-exclusivity;
- (c) a description of the steps taken to date, and future steps proposed to be taken, to mitigate any material adverse or potential material adverse effect of the non-exclusivity on the competitiveness or integrity of the Competitive Selection Process; and

(d) copies of any relevant documentation.

The Authority may require additional information or documentation to demonstrate to the satisfaction of the Authority in its discretion that no such non-exclusivity exists or, if it does, that measures satisfactory to the Authority in its discretion have been or will be implemented to eliminate or mitigate any risk to the competitiveness or integrity of the Competitive Selection Process.

6.12.9 Exclusivity – The Authority May Request Advance Decisions

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a matter related to exclusivity. The Authority will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the Respondent so that it may make its own response to the COI Adjudicator.

The onus is on the Respondent to clear any matter related to exclusivity or to establish any conditions for continued participation, and the Authority may require that the Respondent make an application under Section 6.12.8.

6.12.10 Exclusivity – Decisions Final and Binding

The decision of the Authority or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Respondents, Respondent Team members and the Authority. The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstance in which a decision may be amended or supplemented.

The Authority may provide any decision by the Authority or the COI Adjudicator regarding matters related to exclusivity to all Respondents if the Authority, in its discretion, determines that the decision is of general application.

6.13 LEGAL COUNSEL

Bennett Jones LLP is a Restricted Party. By submitting a Response, the Respondent and the Respondent on behalf of each Respondent Team member expressly consents to Bennett Jones LLP continuing to represent the Authority for all matters in relation to this RFQ and the Project, including any matter that is adverse to the Respondent, despite any information of the Respondent or any Respondent Team member and any solicitor-client relationship that the Respondent may have had, or may have, with Bennett Jones LLP in relation to matters other than this RFQ and the Project. This Section is not intended to waive any of the Respondent's rights of confidentiality or solicitor-client privilege.
